CENTRE FOR NAIL TECHNOLOGY

O·P·I

EDUCATION PROGRAMME

Where do you see your technical and business skills in the future? We have a vision for you! A vision that begins by eliminating the boundaries to success through advanced education. And, continues with a unique and inspiring new approach to your ongoing educational needs!

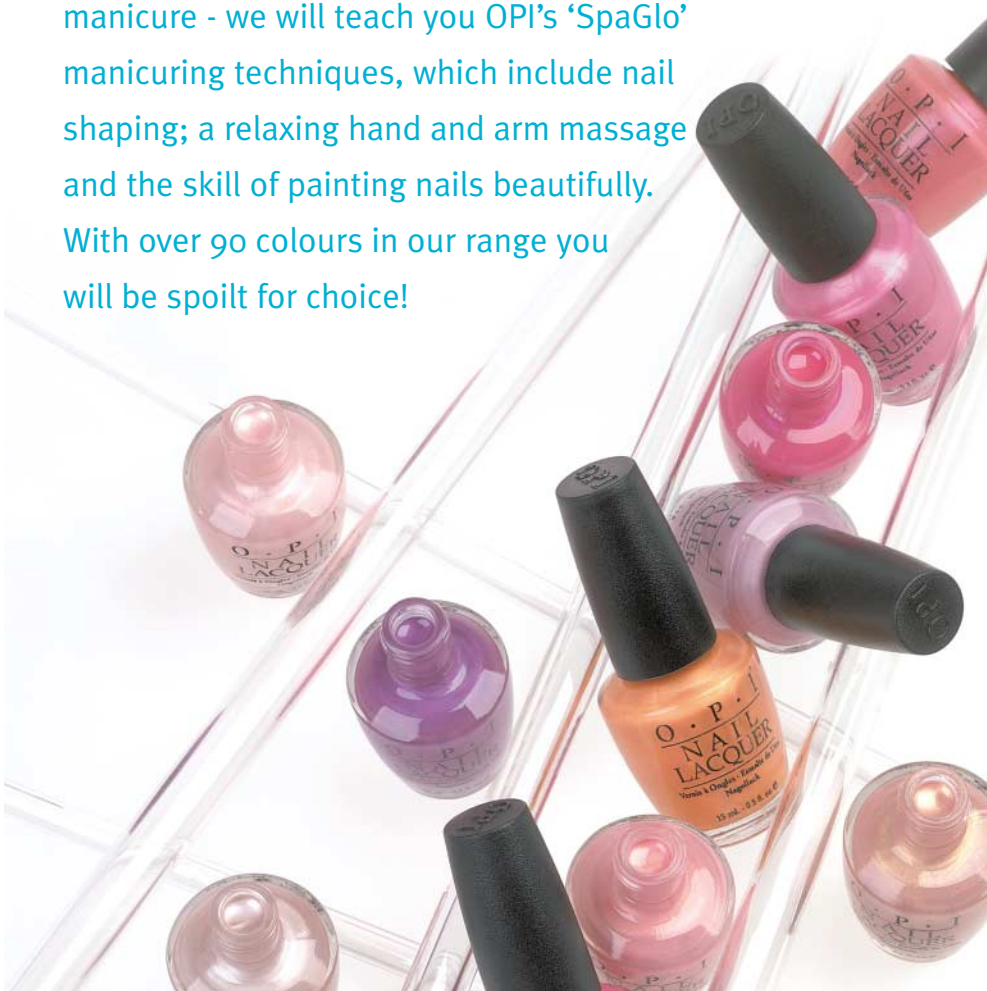

OPI's beginner courses, hands-on workshops and exciting special events feature unique new approaches to spa manicures and pedicures, profitable add-on services, and the latest technological breakthroughs in nail enhancements. With OPI as your coach, you'll discover your hidden talents and accomplish your highest professional objectives!

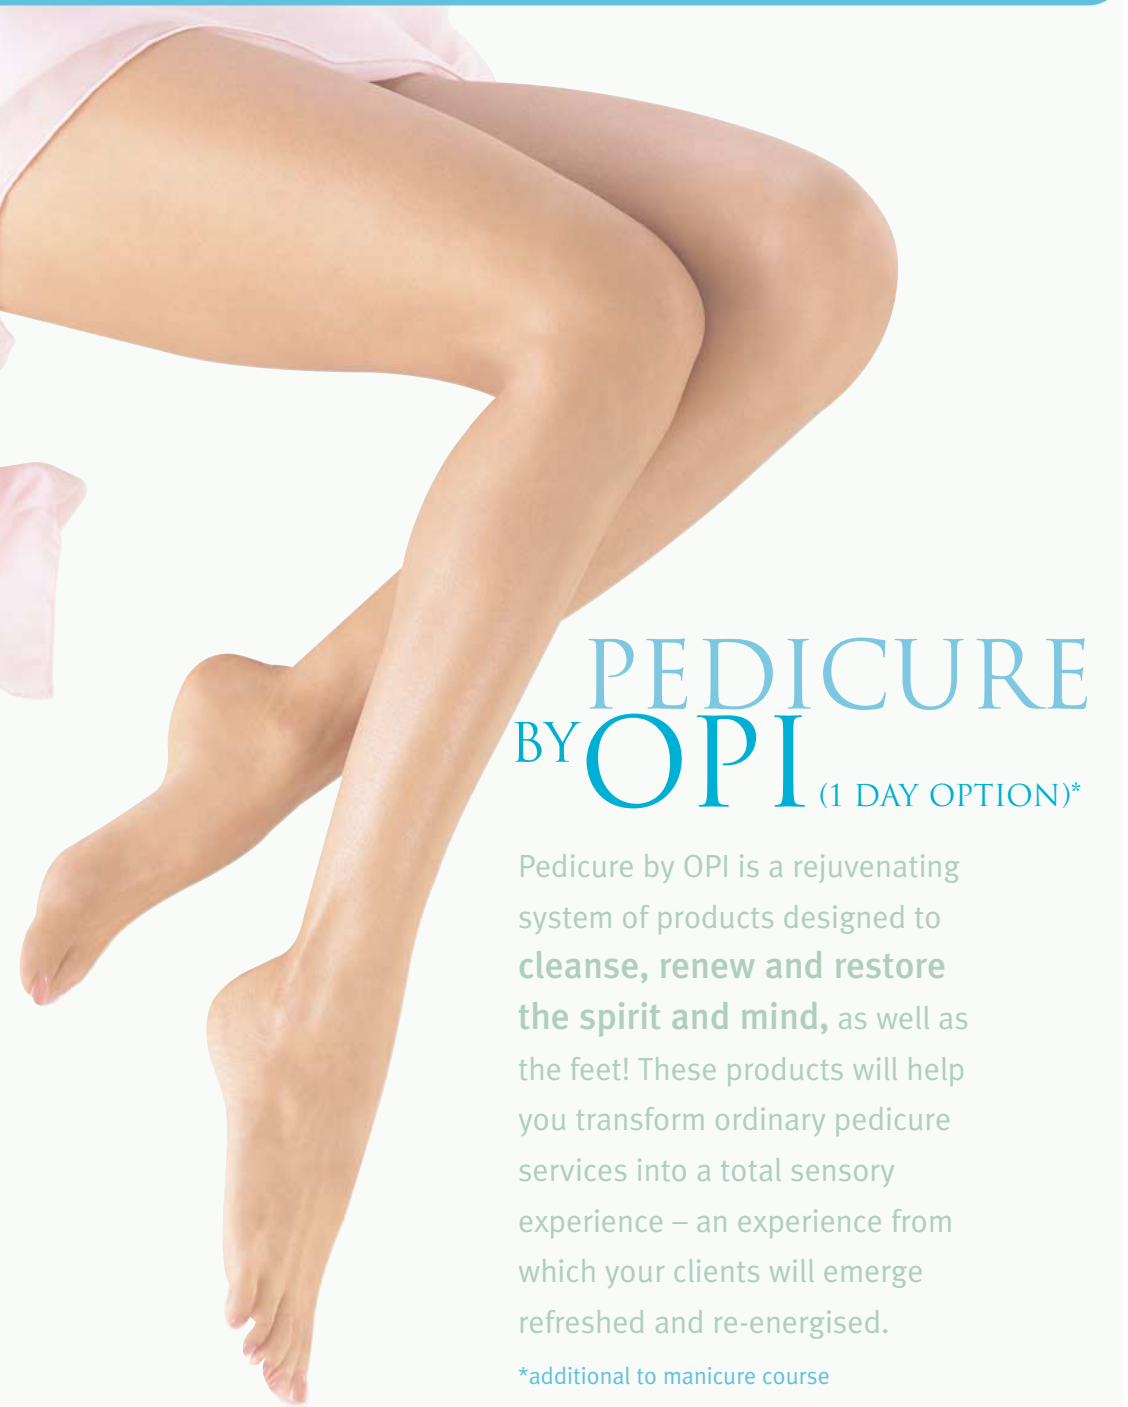

All skills covered to NVQ level
Course Costs - £100.00 per day ex. VAT
Educational Kits - costs available upon application

BEGINNERS

MANICURE (3 DAYS)

Start your career right here! OPI have a range of Spa products which transform the ordinary into the extraordinary. The avocado based Avoplex Moisture Replenishing system combined with the moisturising and protective properties of three forms of Jojoba form the basis of our 'SpaGlo' manicure - we will teach you OPI's 'SpaGlo' manicuring techniques, which include nail shaping; a relaxing hand and arm massage and the skill of painting nails beautifully. With over 90 colours in our range you will be spoilt for choice!

PEDICURE BY OPI (1 DAY OPTION)*

Pedicure by OPI is a rejuvenating system of products designed to **cleanse, renew and restore the spirit and mind,** as well as the feet! These products will help you transform ordinary pedicure services into a total sensory experience – an experience from which your clients will emerge refreshed and re-energised.

*additional to manicure course

BEGINNERS

MICROWRAP FUTUREFIBER NAIL WRAP SYSTEM (3 DAYS)

Discover the hottest new service to strengthen natural nails! New, MicroWrap FutureFiber Nail Wrap System delivers **superior strength, unmatched clarity and ultimate flexibility!** Stronger than silk and fibreglass yet extraordinarily lightweight and transparent, MicroWrap FUTUREFIBER is the first nail wrap fabric infused with accelerator for simultaneous sub-surface and surface curing. The result is a marriage of resin and fibre with unmatched bonding and clarity!

ACRYLIC ABSOLUTE (4 DAYS)

Introducing the newest, most innovative acrylic technology in over 20 years! **OPI's ABSOLUTE Liquid & Powder Technology** is the first cosmetic-quality polymer powder system for nails with six magical shades – including the industry's whitest white!

CLARITÉ ODOUR & DUST FREE SYSTEM (4 DAYS)

Clarité by OPI is the industry's most advanced odour-free acrylic system. Its unique formula is perfect for your full-service salon or spa, providing an opportunity to attract new clients by changing their perception of artificial nail enhancements. This hands-on workshop will help you master the techniques for applying beautiful, natural-looking nails, and fast filing techniques for a virtually dust-free finish. Clarité by OPI will put you on a clear path to profits!

BEGINNERS

MICROBOND GEL OVERLAY & SCULPTING SYSTEM (4 DAYS)

Make **OPI's MicroBond Gel Overlay & Sculpting System** the newest addition to your salon service menu. Its odour-free formula is just right for your spa environment. And, MicroBond's weightless wear will forever change your clients' perception of artificial nails. We'll teach you the application techniques that will make your competition GELous!

THE ULTIMATE COURSE

THE ULTIMATE COURSE (6 DAYS)

This course is OPI's most popular choice for beginners who hold a manicure certificate and now wish to learn nail enhancements.

The Ultimate Course was designed to build a solid foundation in both practical skills and knowledge of the nail, enabling you to gain experience with your training giving you the best possible start in the nail industry. Your training is held over a six week period and covers techniques in acrylic, wraps and gel. Your Educational kits are included in the cost of your training

Recommended for NVQ syllabus.

Ultimate Course - £700.00 ex. VAT

IN SALON EDUCATION

PRIVATE PRACTICE WITH OPI

Are you ready to learn a new service, but can't find the time? Here's your chance to get the personalised education you've been looking for. **OPI's Private Practice In-Salon Education Programme** gives you the option of designing your own day of education using your salon as the classroom! Choose your own topics, or let OPI design a programme that's right for you. From perfecting your technical skills to boosting your salon profits, OPI has an in-salon programme to fit your needs.

UP CLOSE AND PERSONAL

This is your chance to get together with an OPI Educator on a one-to-one basis. The class can be tailor-made to suit your requirements and the length of time chosen by yourself. If time is not on your side - this could be for you!

HANDS ON WORKSHOPS

NATURAL NOT NAKED

OPI has the solution to give your clients the nails they have always wanted . . . naturally. Now is the time to update your natural nail care menu and attract new clients. Let OPI guide the way with the latest spa treatments like OPI's 'Spa Glo' manicure and high performance polishing techniques for all the extras that add up to profits!

NAILING THE BASICS

Maybe you've been away from the business for a while or just wish to update your knowledge and skills in this fast moving industry, OPI will take you back to basics to ensure your tip application and blending techniques are perfect. We will also include information on Health and Safety and Sanitation.

THE ART OF ABSOLUTE

Liquid and Powder Technology. A formula developed by a Nail Technician for Nail Technicians! We can help you to master application and finishing techniques to make you shine!

WRAP UP YOUR FUTURE

Experience the hottest new service for beautiful natural looking nails with OPI's MICROWRAP Futurefiber Nail Wrap system. Stronger than silk or fibreglass yet extraordinarily lightweight and transparent. We have it wrapped!!

MAKE 'EM GELous

The growing spa market and increasing consumer demand for more natural looking and feeling enhancements presents an opportunity to expand your service menu. Make OPI's MicroBond Gel Overlay system the newest addition to your salon service menu. Its odour free formula is just right for your spa environment, or for any salon wishing to decrease odours.

PEDICURE BY OPI

Pedicure by OPI is a rejuvenating system of products designed to cleanse, renew and restore the spirit and mind, as well as the feet! This hands-on workshop will transform ordinary pedicure services into a total sensory experience - an experience from which your clients will emerge refreshed and re-energised.

4 HOURS - £50 +VAT

CLEARLY DIFFERENT CLARITÉ

Clarité by OPI is the industry's most advanced odour-free acrylic system. Its unique formula is perfect for your full service salon or spa, providing an opportunity to attract new clients by changing their perception of artificial nail enhancements.

PINK AND WHITE PERFECTION

Learn proven methods of crafting stunning sculptured nail enhancements. Learn OPI's precision application techniques for achieving perfect smile lines. You'll be sculpting perfect pink and whites in record time!

REBALANCING RESCUE

Are your infills imperfect? Do they seem to take forever to buff down and still you can see a demarcation line? We can show you techniques for achieving the perfect fill and perhaps 'brush up' on your acrylic application at the same time.
